

Impact Report

1st April 22-31st March 2023

Welcome to Pembrokeshire FRAME's Impact Report, where we celebrate the incredible achievements and transformative power of our charity in the lives of individuals and the environment.

Our Vision...

To assist in removing the barriers preventing people of all disability groups from fulfilling their potential

Our Mission...

Pembrokeshire FRAME promotes social inclusion, self-worth and personal well-being through supported, meaningful occupation and education, particularly for those from any disability group, including mental health.

1106 Days Of Volunteer Time

Pembrokeshire FRAME is deeply appreciative of the invaluable contribution of 1106 days of volunteer time, which has greatly supported our projects and benefited countless individuals within our organization. This remarkable assistance, with an estimated value exceeding £63,000, has played an integral role in driving our mission forward.

£409000 raised for the charity from our furniture reuse stores in Merlin's Bridge and Pembroke Dock

Discounts given to people on benefits on 421 transactions totalling £11870

Over 1342 Tonnes of household waste collected

Over 1056 Tonnes re-used or recycled (79%)

285 Tonnes to landfill (11%)
